

## Press Report

### NSS Special Camp Unit X

#### Adopted School: Hidden Sprouts Special School for Mentally Handicapped

It is happy to see that the mentally handicapped children are not restricted to the hospitals and care centers. Here children of similar level are involved themselves in play with toys and other object, musical classes, singing song and dancing. Where most of the children requires support of mentors and continues support from the people for igniting happiness among them. These children have lesser amounts of social interaction and attentive play. Despite current concern over the effects of day care on the development of very young children they require an attentive play scores or in the proportion of non-routine time spent interacting with them.

Our NSS volunteers interacted with the students continuously throughout the day. As a part of the special camp program, GITAM NSS Unit- X volunteers planned to conduct various activities such as awareness of higher studies, usage of smart technologies tabs, mobiles, physical activities and achievements of the other handicapped students in the past through video streaming. To impart the sportiness among the student various sport are being planned for the students. A self-defense program, objective and goal identifications are being organized as a part of the special camp. The winners will be awarded with the prizes.

Sports for mentally handicapped children are organized successfully, it made most of the children to respond positively and an afford to being the children to the social relevance is being successfully. As their studies, education are restricted to the care rooms our association with the children was imagining for the day. Cultural Programme's are being arranged to the children. This made them to showcase their hidden talents.

In this connection, Vice Principal, GITAM University, **Prof. C.Dhrama Raj**, **Dr. G.Veereswara Swamy**, Co-Ordinator, NSS Wing, **Dr B. Suribabunaick**, Program Officer Unit X, **Mr. Md KM Chisti**, Program Officer Unit XV, and **Ms. Rantna Kumari**, Program Officer Unit V of GITAM University are present. Mr. Srinivas Rao, Mangement of Hidden Sprouts School thanked GITAM and NSS wing for having conducted the special camp which enhanced the wings of the special children and gave great boost to their morale.
